	c. Thelve T34 and seven SF guns were observed in the reconditioned garage between the loading ramp and the former officers' riding school on 7 December 1949.	
	towing AT guns were observed enroute from Justerbog to Altes Lager on 10 December 1949.	50X1-HUM 50X1-HUM
	e. A firing practice with 150-mm howitzers was held at the old firing range on 19 December 1949.	
	f. Thirty-two rail-type rocket launchers ("Stalinorgel") were seen in the yard of the former Landwirtschaftsschule (agricultural school) on 5 January 1950.	
	g. A large building at the corner of the Brueckenstrasse was vacated by the Soviets on 15 January 1950. Office equipment was moved into the building on 17 January 1950. The building is allegedly scheduled to be occupied by the Luckenwalde (N 53/Z 70) kommandatura.	
5°	It was learned that laborers from the Jueterbog area daily commuted to Templin (N 54/U 81) by bus and worked at the construction of a new firing range in that area in late December 1949.
